About Us

Our company Deepak Plasto Industries was established by Mr. Nilanchal Sahu in the year 2005. Today, we are acknowledged as an eminent manufacturer and trader of products such as Spiral HDPE (Storage Tank / Reactor), Spiral PP (Storage Tank/ Reactor), Aluminium (Storage Tank /reactor), SS (Storage Tank /Reactor), MS (Storage Tank /Reactor), Chemical Transport Tanker, Pipe Line Services, HDPE/PP Pipe & Fittings, etc. All over the country, our enterprise is famous for making available highest grade Tanks in a wide range of volume and capacity (up to 70000 litres) and in diameter of 300 MM to 4000 MM. The gamut is manufactured using spiral winding process as per German technology. These creations are preferred owing to their strength, performance and durability. Along with our product array, we are also popular for rendering HDPE Holding Tank Repairing Services and Pipeline Installation Services. Our name is counted among the leading service providers. With the support of our mentor Mr. Deepak N. Sahu, our company is growing everyday. We have been accredited with Certificate of nomination in India 5000 Best MSME Award 2020. This achievement is the result of the hard work of our members.

Operating our business from Boisar, Maharashtra (India), we, Deepak Plasto Industries, have been ruling this domain since 2005. Our huge product line includes Spiral HDPE (Storage Tank/ Reactor), Spiral PP (Storage Tank/ Reactor), Vertical PP Holding Tank, FRP Chemical Stirrer, Chemical Storage Tank, Industrial FRP Storage Tank, Industrial PP Reactor, etc. All these products are preferred because of their exceptional quality. Customers are assured from our end that every product is tested before delivery. They admire our perfection-oriented approach and honest way of doing business. We render support service around the clock for their convenience, each time they contact our company. We make sure to deliver excellence along with their orders and convince them to return.
